

STUDENT OPPORTUNITY INTERESTED IN CURATING A GROUP EXHIBIT?

Why should you Exhibit?

This is a great opportunity for you to be involved in the HU Gallery as well as a line on your resume. Curating exhibitions takes detail-oriented organizational skills, an eye for thematic connections as well as the creative act of making artwork. Exhibits could be based on an idea/theme or a specific medium. We are open to works on paper (paintings, drawings, mixed media, photography) as well as sculptural and installation-based approaches.

- Standard 18x24" frames and 24" x 30" frames are available for use.
- All proposals will be reviewed by the gallery committee to ensure professional gallery standards
- Accepted exhibit proposals will be given marketing materials and an opening reception by PBSC.
